## Great American Cleanup

Help do your part in keeping North Platte clean and beautiful! Keep North Platte & Lincoln County Beautiful will be participating in the annual Great American Cleanup from March to May. Events taking place during this time are: Household Hazardous Waste & Electronics Collection Event, Motorist Litter Awareness Day, rural road cleanups, flower planting at the RSVP Office, Downtown cleanup, Original Town cleanup, and storm drain stenciling. KNPLCB is looking for volunteers during these events. If you or anybody you know are interested in volunteering for one of our events, call the office at 534-8100 for further information

## Spring Cleaning Tips

It is the time of year where we head outside, dust off the rakes, tune up the mower, and hook up the watering hose. KNPLCB wants to give a few tips spring cleaning of your yard and giving you a jump start to beautifying your lawn and keeping North Platte beautiful!

- Make sure to keep your lawn mowed under 12 inches.
- Spray your yard for weeds.
- Use a water gauge to ensure you do not over water your lawn.
- Trim tree branches above sidewalks, streets, and alleys.
- Make sure the lids on your trash receptacles are

closed to secure any trash from blowing when it is windy.

- Pick up any blowing trash that may have landed in your yard.
- If you have a storm drain in front of your house, make sure to clear it of any debris.
- Please do not wash anything down the storm drains! Remember, “only rain down the drain.”
- All trash must be able to fit inside your trash receptacle. All residents are allowed a cleanup card that allows 2 free dumps at the transfer station per year. These cards can be picked up at the Public Service Building located at 1402 N. Jeffers.

The mission of Keep North Platte & Lincoln County Beautiful is to educate and interact with the public encouraging beautification, a litter free environment, and waste reduction through recycling.
